

Dear Wagon Master,

Thank you for reaching out to Winchester Bay RV Resort! We're excited to help you organize a memorable experience for your group.

As a Wagon Master with a group of 10 or more RVs, you qualify for exclusive group reservation discounts and amenities, available during our winter period (October 15 – June 10). Below are the details for your group:

Discounts and Exclusive Use of the Marina Activity Center (MAC):

- **For 10-19 RVs:** Guests will receive 25% off of the first three nights of their stay, and the Wagon Master will receive 40% off of the first three nights of their stay. Your group will also have exclusive use of the Marina Activity Center (MAC) for up to 8 hours.
- **For 20+ RVs:** The same 25% discount applies for guests, while the Wagon Master will receive 40% off, along with exclusive use of the MAC for up to 16 hours.
- **Discounts do not apply to Cabin Rentals**
- **The dates of exclusive MAC use must be reserved when setting up your initial group reservation.**

MAC Details: The Marina Activity Center (MAC) is a fantastic space for group events and gatherings. If your group chooses to use the MAC, the space will be reserved exclusively for your group for the specified days. Should you wish to book additional time, rental fees and requirements will apply.

Reservation Process:

1. As the Wagon Master, you will work with our Reservations Office (541) 271-0287 to set up the initial group reservation.
2. Once the group reservation is set up, a **discount code** will be issued for your group members to use when making their individual bookings.
3. Each participant is responsible for finalizing and paying for their own reservation by calling the office and using the discount code.
4. To qualify for the group rate, all RVs must commit to a minimum **3-day** stay.
5. We offer reservations up to **two years** in advance, allowing for time to plan.

Additional Notes:

- If the minimum number of sites is not booked, the Wagon Master will still receive a 25% discount, without exclusive use of the MAC.
- We do not have an age limit on RVs; however, all RVs must be **fully self-contained** (with their own bathroom and kitchen).
- **No tents** are allowed on the reservation sites.

- If a caterer is used during your exclusive MAC use, they will be required to provide insurance.
- As an exclusive bonus to your group enjoy a 10% discount on Fishing and Crabbing with the following Guides: NW Oregon Outfitters (541)643-7055; Ocean Obsessions (541)662-1293; Sweet Spot (541)954-0661; Elkton Outfitters (541)817-7656 or All Amerian (503)877-7400.
